Why take FoodSafe?

FoodSafe training is a great addition to the resume of anyone seeking employment in the food or care giving industries. Many Kamloops employers require FoodSafe certification.

The FoodSafe Course is designed for front line food service workers such as cooks, servers, bussers, dishwashers, and deli workers. The course covers important food safety and worker safety information including foodborne illness, receiving and storing food, preparing food, serving food, cleaning, and sanitizing.
