

Post Secondary - Education Planner BC

By 2025 of the nearly one million expected job openings in BC, 8 out of 10 will require post-secondary education. There's a lot of information online and knowing where to go to find out what you need to know, can make what seems like a daunting task, just that much earlier. Check out **EducationPlannerBC.ca** which has:

1. Planning tools \including links to Work BC career profiles, labour market information from the Blueprint Builder, and WorkBC's Career Compass and Career Trek
2. Information on 2,100 post-secondary programs at 25 public post-secondary institutions
3. Information on student financial aid
4. Application function so you can apply online to any of the 25 BC public post-secondary institutions.

Search, Plan and Apply.
